Corporate Work Study (CWS) Program

The Corporate Work Study (CWS) program is an integral part of the student's educational experience at Cristo Rey OKC. The program provides unique professional work and "hands-on" learning opportunities for our students five days a month. After completing our Summer Success Training program students are prepared for the workplace, and they are placed with some of Oklahoma City's top corporations, including law firms, hospitals, banks, non-profits, and other businesses. Through CWS, students gain valuable professional experience in a variety of fields, explore different career paths, develop specialized skills, and establish meaningful professional connections and mentoring relationships giving them a competitive edge in college and their futures.
